

U.S. PASSPORT INFORMATION U.S. Embassy Guatemala City

Emergency Passport for Adults

- If your passport was stolen or lost and you are scheduled to leave shortly, you can request an emergency passport.
- You do not need an appointment to apply for an emergency passport.
- Emergency Passports are only approved under special circumstances and are valid for one year maximum.
- Normally we will not be able to issue an emergency passport during the weekend or on

Please be informed that a **SOCIAL SECURITY NUMBER IS REQUIRED** in order to process the passport. If you have never had or applied for a social security number, you may either apply for a social security number at the same time as you apply for your passport or Consular Report of Birth Abroad or you will be required to submit a declaration under penalty of perjury that you were never issued a social security number.

Replacement passports are normally valid for a full ten years for adults and five for children. However, if you have urgent travel plans, an **emergency passport can be produced more quickly to allow you to return to the U.S. or continue on your trip.** Once you return home, you can turn in your emergency passport and receive a full-validity passport without paying any extra fees within one year.

The U.S. Embassy in Guatemala may **only** offer **walk-in** emergency passport services if you have travel plans within the next two weeks. Please provide proof of travel.
